

Report of Voting May 2020

From May 1st to May 20th, 2020 Hawaii Alpha Delta Kappa sisters voted on Survey Monkey's online digital platform. Those sisters without email addresses were sent ballots and copies of the documents to be voted on. The documents had been sent previously to the chapters to review and discuss and were posted on the Hawaii Alpha Delta Kappa website. On May 1, 2020 a message with the website link to Survey Monkey was sent to all members through their chapter presidents.

On May 20, 2020 a total of 187 voters had responded on Survey Monkey, including 7 mailed in votes. The votes were unanimous. The minutes of the 25th Hawaii State Convention business meeting, the amended Hawaii State Bylaws, the Budget Guidelines with Rationale and the Budget for 2020 - 2022 were adopted.

Voters from all 17 chapters were represented.
