

2020 JOINT NW/SW REGIONAL CONFERENCE COMMITTEE REPORT

Committee: MUSIC

Date: October 8, 2019

Chairperson: Meredith Ching

Committee Members: Carol Furukawa, Grace Kwon

Responsibilities:

- *Arrange practices for joint NW/SW Regional choral group
- *Music to start the day – 15-20 minutes before sessions begin
- *Music before the banquet
- *Suggested that Nā Wahine Mele select the songs

Accomplishments:

Things to do:

Am waiting to hear if there is a Montana sister to plan with. Kathy said she might have someone this weekend. If so need to consult with them on plans. As far as budget, If I was planning it I would use our Hawaii song book with just some printing of extra music, but if the choirmaster is from Montana which is likely, we might need a lot of duplication of music and my guess as to the number of participants in the choir? Maybe 30 to 40? Just a wild guess. Number of pages of music we need to duplicate. A really wilder guess.. maybe \$200? Any other expenses besides printing of music? I don't have a clue. Maybe we could just borrow. I am bringing Carol Furukawa with me to the meeting as she is one of the leaders of Na Mele Wahine and a Theta sister. Grace Kwon is also a leader of Na Mele Wahine who has sung in the choir at International and will be a resource or part of this committee.
